

114 N. MAIN ST, WELLSVILLE, NY 14895 | 585.593.5080 | MSC@WELLSVILLEAREACHAMBER.COM

We were pleased to welcome Santillo Enterprises to Wellsville this past weekend. As a new member of the Wellsville Area Chamber of Commerce, we were approached by Tiffany and Mike to partner on the "Wellsville Fair Food Drive Thru." It was a great success! The community was thrilled to have some of their favorite fair foods available to them with so many of our festivals, events and fairs cancelled due to Covid-19.

Santillo's was a well-oiled machine, clearly very experienced in following the ever-changing guidelines outlined by the health department and NYS. The event was designed as a drive thru only, with walkup service available if able to effectively social distance due to the numerous little league and softball games happening at the park over the weekend.

The event was pulled off in less than a week. Santillo's was prepared with a full staff ready to safely serve the community. I can't say enough about how professional and prepared Tiffany and Mike are. We look forward to working with them again!

Feel free to contact the Chamber if you have any further questions.
